

Hank Williams III, Why Don't You Leave Me Alone

Last night ya told me that I ain't worth a dime
Well don't worry honey 'cause I'm leaving this time

Why don't ya leave me alone
Why don't ya leave me alone
Well, your hillbilly daddy's packin'
and I'm gonna get gone

We never got along, I guess we never will
so I'm saying "So long," it oughta give you a thrill

Why don't ya leave me alone
Why don't ya leave me alone
Well, your hillbilly daddy's packin'
and I'm gonna get gone

Well I'm going joint-jumpin' down at Club 21
I ain't looking for trouble, I just wanna have fun

You want a sensitive sissy that'll hear your command
not a hillbilly singer with a five-piece band

Why don't ya leave me alone
Why don't ya leave me alone
Well, your hillbilly daddy's packin'
and I'm gonna get gone

Last night ya told me that I ain't worth a dime
Well don't worry honey 'cause I'm leaving this time

Why don't ya leave me alone
Why don't ya leave me alone
Well, your hillbilly daddy's packin'
and I'm gonna get gone

Well, your hillbilly daddy's packin'
and I'm gonna get gone
