

# Hank Williams, Jr., All For The Love Of Sunshine

The darkness of my world was all cleared away  
The flowers are blooming it's a beautiful day  
There's a girl with a heart as big as the sky she's sunshine and I know why  
All for the love of sunshine all for the love of sunshine  
The Lord smiled down on this life of mine and sent me the love of sunshine

Though sunshine can always make my days seem bright  
Sunshine can warm up a cold cold night  
I know my sunshine was sent from above an angel that's filled with love  
All for the love of sunshine...

Through winter the springtime the summer and fall  
The moonlight the starlight she outshines them all  
In a world filled with fear with pain and such harm my sunshine can't be so warm  
All for the love of sunshine...  
All for the love of sunshine...  
All for the love of sunshine...
