

Hank Williams Jr., Baby We're Really In Love

If you're lovin' me like I'm lovin' you baby we're really in love
If you're happy with me like I'm happy with you old Cupid just gave us a shove
If you're thinkin' of me like I'm thinkin' of you then I know what you're thinkin' of
If you're lovin' me like I'm lovin' you baby we're really in love
I run around in circles and turn in fire alarms
I'm nuty as fruitbake when you're not in my arms
If you're meant for me like I'm meant for you baby we fit like a glove
If you're lovin' me like I'm lovin' you baby we're really in love
[piano - guitar]
If you're lovin' me like I'm lovin' you baby we're really in love
If you're countin' on me like I'm countin' on you old Cupid just gave us a shove
If you're dreamin' of me like I'm dreamin' of you
Then I know what you're dreamin' of
If you're lovin' me like I'm lovin' you baby we're really in love
My folks think I've gone crazy and I don't feel too sure
And yet there's nothin' wrong with me that weddin' bells won't cure
If you go for me like I go for you baby we fit like a glove
If you're lovin' me like I'm lovin' you baby we're really in love
