

# Hank Williams Jr., Cadillac Pussy

I seen a fly slimmy on the avenue  
When I was on tour in baton rouge  
A mean little missy with a attitude  
I played it smooth  
No need to be rude  
I stopped the ship  
Stepped off like chewie..  
Ran some game like Louie Louie  
Talked her on the bus  
Talked her out of her shorts  
No lie y'all, I'm here 2 report

She had some cadillac pussy  
Some cadillac pussy  
She had some cadillac pussy  
She had some cadillac pussy  
Man it would drive you wild
