

Hank Williams Jr., Cadillac Pussy

I seen a fly slimmy on the avenue
When I was on tour in baton rouge
A mean little missy with a attitude
I played it smooth
No need to be rude
I stopped the ship
Stepped off like chewie..
Ran some game like Louie Louie
Talked her on the bus
Talked her out of her shorts
No lie y'all, I'm here 2 report

She had some cadillac pussy
Some cadillac pussy
She had some cadillac pussy
She had some cadillac pussy
Man it would drive you wild
