

# Hank Williams Jr., Can't You See

Well I'm gonna take a freight train down at the station Lord  
And I don't care where it goes  
Gonna climb a mountain the highest mountain jump off nobody gonna know  
Can't you see oh can't you see what that woman Lord she's been doin' to me  
Can't you see can't you see what that woman's been doin' to me

I'm gonna find me a hole in the wall I'm gonna crawl inside and die  
Cause my lady now I mean old woman Lord she never told me goodbye  
Can't you see...

[ guitar ]

Gonna buy me a ticket now as far as I can I ain't never coming back  
Ride me a southbound all the way down to Alabam till that train is a runnin' a track  
Can't you see...  
Can't you see...
