

Hank Williams Jr., Crazy Heart

You thought she'd cared for you and so you acted smart
Go on and break your crazy heart
You lived on promises I knew would fall apart go on and break your crazy heart
You never would admit you were mistaken
You didn't even know the chances you were taken
I knew you couldn't meant I've told you from the start
Go on and break your crazy heart
[piano - guitar]
I knew you'll wake up and find her missin'
I tried my best to warn you but you wouldn't listen
You told me I was wrong you thought that you were smart
Go on and break your crazy heart
