

Hank Williams Jr., Darling You Know I Wouldn't Lie

Here I am late again for the last time and like I promised I just told her goodbye
Please believe me for this time it's really over and darling you know I wouldn't lie
I had to let her down easy as slow as I could after all she's got feelings too
But it took a little longer than I thought it would
Oh but this time she knows we're really through
She wanted to hold me forever and this lipstick shows her final try
And these tears on my shoulders have proved that she failed
And darling you know I wouldn't lie

[steel]

Didn't I come and tell you about her how temptation lured she and I
But I know it was only fascination and darling you know I wouldn't lie
I had to let her down easy as slow as I could after all she's got feelings too
But it took a little longer than I thought it would
But now she knows we're really through
Now she wanted to hold me forever and this lipstick shows her final try
Please believe me for this time it's really over and darling you know I wouldn't lie
And darling you know I wouldn't lie
