

Hank Williams Jr., I'm Just A Man

I'm just a man. I breathe and I bleed yes I got feelings I can hear and I can see

and you are the lady that brings them out of me making me feel special aww that's your specialty.

'cause you let me be me and I let you be you. Hey don't that sound so easy but that is so hard to do

Some things make me feel sad. I feel like I could cry, feeling you next to me, aww, that makes me feel

I'm not made of steel and I'm not made of stone I'm not a super hero I'm made of flesh and bone.

I'm just a man I breathe and I bleed yes I've got feelings. I can hear and I can see,

and you are the lady that brings them out of me making me feel special, aww, that's your specialty!
