

# Hank Williams Jr., I Still Miss Someone

At my door the leaves are falling the cold wild wind will come  
Sweethearts walk by together and I still miss someone  
I go out to a party and I look around for fun  
But all I find's a darkened corner cause I still miss someone  
Though I never got over those blue eyes I see them everywhere  
I miss those arms that held me when all the love was there  
Oh I wonder if she's sorry for leaving what we had begun  
There's someone for me somewhere and I still miss someone  
Though I never got over those blue eyes...  
Yes I still miss someone
