Hank Williams Jr., I Still Miss Someone

At my door the leaves are falling the cold wild wind will come Sweethearts walk by together and I still miss someone I go out to a party and I look around for fun But all I find's a darkened corner cause I still miss someone Though I never got over those blue eyes I see them everywehere I miss those arms that held me when all the love was there Oh I wonder if she's sorry for leaving what we had begun There's someone for me somewhere and I still miss someone Though I never got over those blue eyes... Yes I still miss someone
