

Hank Williams Jr., I've Got A Right To Cry

I've got a right to cry I've got a right to cry
All day I sing the blues I'm in my lonely shoes
Could you be so unkind I nearly lost my mind
I wonder if you care my life is a sad affair
My heart is aching and it's breaking
And I don't know what to do sweetheart it's all because of you
You know you've done done me wrong come on back home where you belong
And in this reason why I've got a right to cry
Yeah my heart is aching...
I've got a right to cry
