Justice Will Be Done  
Hank Williams Jr  
Album:

I went down to the Mary Carter Paint store  
I said give me one of them Smith & Wesson magnum 44's  
Cause there's a man that the law let loose  
And justice was not done  
This man killed my wife and my only little son

I'll never forget the way he looked all thru the trial  
He had his big named lawyer  
And he had that smirkey smile  
Whoa yeah he got you off on a technicality  
But you have to grow wings and fly  
To ever get away from me

Cause I got rights  
I got rights too  
And this time there won't be no damn lawyers  
And systems to protect you  
I'm gonna read you  
I'm gonna read you your rights  
You got a right to know that you gonna go  
To hell one of these black nights

And when the trial was over he had the nerve to say  
That's the way it goes  
I said well hoss you better get you some corks  
Cause your gonna have to plug up a few holes  
Guess he thought I was talking  
Just to pass away time  
But he kinda looks different now  
On his knees begging for his life

He I got rights  
I got some rights too  
And this time there won't be no damn lawyers  
And systems to protect you  
But I'm gonna read you  
I'm gonna read you your rights  
Because I want you to know that you're gonna go  
To hell one of these black nights

Naw and this time there n'aint no damn lawyers  
And systems to save you
