

# Hank Williams Jr., Let's Talk It Over Again

In our home were never the angry words said but things are like they were then  
Cause hearts have been broken and teardrops have fell let's talk it over again  
Let's talk it over again let's give our hearts a fair chance to win  
It's so easy to walk out but so hard to walk in let's talk it over again  
[ steel ]  
Now the first time we sat down and tried to work things out  
We just borrowed all our heartache that we mend  
Let's be honest with each other let's not leave it down let's talk it over again  
Let's talk it over again...  
Let's talk it over again
