

# Hank Williams Jr., Lone Wolf

There aint no man gonna invade my territory there aint nobody out there gonna mess with me  
because I'm big and hard and battlescarred and getting long in the tooth desperate and hungry and

Yeah I'm a lone wolf I've been chased and I've been bit.yeah I'm a lone wolf.They like to shoot at me  
Yeah I'm a lone wolf and I ain't never been trapped, and God help the people that think they got me

I've been hunting.I've been tracking. I've been running since I was 3,born in Louisiana Swamp,mov  
Raised by black and white dogs to some country,some rock-n-roll. They said now boy your gonna b  
Staying up all night and chasing Lassies by the moon laying up all day on the porch playing guitar t

Yeah I'm a lone wolf and I no longer run with the pack.Yeah I am a lone wolf.I don't ever look back.  
Hey I am a lone wolf out here on the prowl and most of us have been penned up but I'm still runnin

Hey I'm a lone wolf.I've been chased and I've been bit.Yeah I am a lone wolf this ole dog knows all  
Hey I'm a lone wolf.Still hungry and I'm on the prowl, and most of us have been penned up but Boc  
You better watch out because I'm hungry and I'm on the prowl.
