

Hank Williams Jr., Move It On Over

I came in lastnight and I don't know when.
That woman of mine she wouldn't let me in.
I said Move it on over. Move it on over.
Move over little dog 'cause the big dog's movin' in.

She told me once, she told me twice.
I don't take no gal's advice.
Pack it on over. Move it on over.
Move over old dog 'cause the new dog's movin' in.

She told me not to mess around.
I done let that deal go down.
Slide it on over. Move it on over.
Move over skinny dog 'cause the fat dog's movin' in.

The dog house here is kinda small,
But it's got good sounds and they're wall-to-wall.
Get it on over. Move it on over.
Move over Little dog 'cause the new dog's movin' in.

She crawled back to me on her knees.
But I'm busy 'cause I got new fleas.
Get it on over. Scoot it on over.
Move over old dog 'cause the new dog's movin' in.

Yeah, I came in lastnight and I don't know when.
That second wife of mine, she wouldn't let me in.
I said Move it on over. Scoot it on over.
Move over old dog, the fat dog's movin' in.

Yeah, move over old dog. The hot dog's movin' in.
