

Hank Williams Jr., Only Daddy That'll Walk The Line

Everybody knows you been steppin' on my toes and I'm gettin' pretty tired of it
Steppin' out of line and a messin' with my mind if you had any sense you'd quit
Cause ever since you were a little bitty teeny girl
You said I was the only man in this whole world
Bettter do some thinkin' then you'll find
You got the only daddy that'll walk the line
Walk the line walkin' the line

I keep a workin' every day all you wanna do is play I'm tired of stayin' out all night
I'm a comin' unglued from your funny little moods now honey baby that ain't right
Cause ever since you were a little bitty teeny girl
You said I was the only man in this whole world
Bettter do some thinkin' honey you might find
You got the only daddy that'll walk the line
Walk the line walkin' the line walkin' the line

[guitar]

You keep a packin' up my clothes nearly everybody knows
That you're still just a puttin' me on
When I start a walkin' gonna hear you start a talkin'
And a beggin' me to come back home
Cause ever since you were...
