

# Hank Williams Jr., Rainy Night In Georgia

Hoverin' by my suitcase tryin' to find a warm place to spend the night  
A heavy rain a fallin' seems I hear your voice a callin' it's all right  
On this rainy night in Georgia a rainy night in Georgia  
I believe it's rainin' all over the world  
Neon signs a flashin' taxicabs and buses passin' through the night  
The distant moanin' of a train seems to play a sad refrain onto the night  
On this rainy night in Georgia such a rainy night in Georgia  
I think it's rainin' all over the world  
How many times I have wondered but it always comes out the same  
No matter how I look at it'll think about it  
It's just like some of its pleasures some of its pain  
[ piano ]  
I find me a place in a boxcar so I take out my guitar to pass some time  
Late at night when it's hard to rest  
I hold your picture to my chest and then I'm all right  
But it's still a rainy night in Georgia it's a rainy night in Georgia  
I believe it must be rainin' all over this world all over the world rainy night in Georgia
