

Hank Williams Jr., Ready To Go Home

There's coming a day when the world shall melt away
And Jesus shall come to claim his own
No more tears no pain no woe in this wicked world below
Then will you be ready to go home
Will you be ready to go ready to go home to live with him up there round the throne
When he says come unto me will your soul be claim and free
Then will you be ready to go home
[steel]
In this world of greed and hate will you wait till it's too late
Too late to claim the Saviour for your own
For he's coming someday to bear your soul away then will you be ready to go home
Will you be ready to go...
Then will you be ready to go home
