

Hank Williams Jr., She Thinks I Still Care

Now just because I asked a friend about her
And just because I spoke her name somewhere
Just because I rang her number by mistake today she thinks I still care
And just because I haunt the same old places
Where the mem'ry of her lingers everywhere
Just because I'm not the happy guy I used to be she thinks I still care
Now if she's happy thinking I still need her then let that silly notion bring her cheer
Oh how could she ever be so foolish and where would she get such an idea
Just because I asked a friend about her
And just because I spoke her name somewhere
Just because I'm not the happy guy I used to be she thinks I still care
Now she thinks I still care
