

# Hank Williams Jr., She Thinks I Still Care

Now just because I asked a friend about her  
And just because I spoke her name somewhere  
Just because I rang her number by mistake today she thinks I still care  
And just because I haunt the same old places  
Where the mem'ry of her lingers everywhere  
Just because I'm not the happy guy I used to be she thinks I still care  
Now if she's happy thinking I still need her then let that silly notion bring her cheer  
Oh how could she ever be so foolish and where would she get such an idea  
Just because I asked a friend about her  
And just because I spoke her name somewhere  
Just because I'm not the happy guy I used to be she thinks I still care  
Now she thinks I still care
