

Hank Williams Jr., Stop And Think It Over

We got to stop and think it over before we say we are in love
Are we right for each other can what we feel be lasting love
We got to stop and think it over before we break each other's heart
Will this love last forever or some day calls us to part

[guitar]

For so many loves have done gone wrong and so many hearts are in pain
Just like us they were too young and they played a losing game
We got to stop and think it over before we break...
We got to stop and think it over
