

Hank Williams Jr., That's How They Do It In Dixie

Cut-off jeans an' cowboy boots long blonde hair an' dark brown roots
Lord pinch me thats how they do it in Dixie.

Electric slidin' on a sawdust floor
Long-neck chaser for a shot of hard core whiskey
Thats how they do it in Dixie.

Little red Geo, stickers on the window says 'sugar and spice'
Baby crank the bass up, ride it till you see, girl
Those pink fur dice
Oh aint that nice

Down to the river to go for a dip
Rollin' them Levis off of her hips
Goin' Big Kenny skinny
Thats how they do it in Dixie
Splish-Splash

Instrumental Break

Watermelon lip gloss, kiss beneath the swamp moss
On a moonlit night
Bubblemum perfume, well placed tatoo
above her 'hiney-high'
(oh my)

Belly button danglin', a twenty minute tan
You know, ill go jerry springer if you hit on my man
(That girl will throw a hissy)
Thats how they do it in Dixie.

Cut-off jeans an' cowboy boots
Long blonde hair an' dark brown roots
