

# Hank Williams Jr., Weary Blues From Waitin'

The snow falls round my window but it can't chill my heart  
God knows it died the day you left my dream world fell apart  
Weary blues from waitin' well Lord I've been waitin' too long  
These blues have got me cryin' oh sweet mama please come home  
[ piano ]  
Through tears I watch young lovers as they go strolling by  
Oh all the things that might have been God forgive me if I cry  
Weary blues from waitin'...
