

Hank Williams Jr., Weary Blues From Waitin'

The snow falls round my window but it can't chill my heart
God knows it died the day you left my dream world fell apart
Weary blues from waitin' well Lord I've been waitin' too long
These blues have got me cryin' oh sweet mama please come home

[piano]

Through tears I watch young lovers as they go strolling by
Oh all the things that might have been God forgive me if I cry
Weary blues from waitin'...
