

Hank Williams Jr., When I Stop Dreaming

When I stop dreaming that's when I'll stop loving you
The worst that I've ever been hurt in all my life
The first time I've ever really wanted to die
Was the night when you told me you loved someone else
And asked me if I could forget
When I stop dreaming that's when I'll stop loving you
You may teach the flowers to bloom out in the snow
You might take a pebble and teach it to grow
And you might tell the raindrops to return to the clouds
But you'll never teach my heart to forget
When I stop dreaming that's when I'll stop crying for you
When I stop dreaming that's when I'll stop crying for you
