

# Hank Williams Jr., When You're Tired Of Breaking

When you're tired of breaking other hearts won't you come back again and break mine  
When you're tired of roaming darling and the love light no longer shines  
When your dream world falls around you and you sit by yourself and pine  
When you're tired of breaking other hearts won't you come back again and break mine  
[ ac.guitar ]  
When your dream world falls around you...
