

# Hank Williams Jr., You're Gonna Change (Or I'm

You wore out a brand new trunk a packin' and unpackin' your junk  
Your daddy's mad he done got peeved you're gonna change or I'm a gonna leave  
You're gonna change your way of livin' change the things you do  
Stop doin' all the things that you oughtn't to  
Your daddy's mad I done got peeved you're gonna change or I'm a gonna leave  
[ guitar ]  
Now this ain't right that is wrong you just keep nuggin' me all the day long  
And it's gotta stop I don't mean please you're gonna change or I'm a gonna leave  
You're gonna change...  
Now honey you got to change ha ha honey there ain't no way
