

Hank Williams Jr., Young Country (Bush/Frist Car

This is Bush country

cause we've got our pride

Yes the sons and the daughters

on America's side

Our hair is not orange

we don't wear chains and spikes

But we know how to have fun

and we know wrong from right

We like old Andy Jackson

and Fred and Bill too

We love Sergeant York

just to name a few

We're the Volunteer state

and of that we're proud

And we'll make a stand

for Freedom again now

This is Bush / Cheney country

cause we've got our pride

And we don't believe

in more Taxes and lies

Get out of our schools

Big Government leave us alone

And with George W. president

take your OWN money home!

We're the home of old Elvis

Grand Ole Opry too

The Tennessee Titans

will rock and roll you

Ol' Gore is from D.C.

he's deserted us all
For his Hollywood friends
he'll need 'em this fall

Cause this is Bush / Cheney country
we don't sell out our pride
And we don't believe
in more taxes and lies
Get out of our schools
Big government leave us alone
And with George W. president
take your own money home

Old Hank would be proud
and I sure am too
And we trust our country
in the hands of George W.
