

# Hank Williams Jr., Young Country (To Nra)

1ST chorus     This is Bush, Cheney Country

cause we've got our pride

and we don't believe Ole Gore

and his lies

our hair is not orange

we don't wear chains and spikes

but we know what is wrong

and we know what is right

1st verse        We like old Andy Jackson

Senator Frist, and Fred too

We love Sergeant York

just to name a few

We're the Volunteer state

and of that we're proud

and we'll make a stand

again for freedom now

2nd chorus     This is Bush, Cheney, Charlton Heston country

we don't sell out our pride

we can't trust Janet Reno

so we've drawn the line

get out of our schools

big government leave us alone

Mr. Bush knows we all have

the right to keep arms at home

2nd verse        The home of Davey Crockett

and "old Betsy too"

Now the call has come again

the future's up to you

Ole Gore is from D.C.

he's deserted us all  
for his Hollywood friends  
he'll need em this fall
