## Hank Williams, My Heart Would Know

Words and music by Hank Williams, Sr.

[C] I could [G7] say it's over [C] now [C7] That [F] I was glad to see you [C] go [F] I could hate you for the [C] way I'm [Am] feelin' My [G7] lips could tell a lie, but My Heart Would [C] Know. [C7]

[F] It's a sin to make me [C] cry[G7] When you know I love you [C] so [C7][F] I could tell my heart that [C] I don't [Am] miss youMy [G7] lips could tell a lie, but My Heart Would [C] Know.

I could give you all the blame
But I'm sure the truth would show
I could tell this world I've found a new love
My lips could tell a lie, but My Heart Would Know.

I can't fool my cryin' heart 'Cause it knows I need you so I could tell my heart I'm glad we parted My lips could tell a lie, but My Heart Would Know.
