

# Hank Williams Sr., Drinkin' Over Mama

Well I am workin' real hard  
and not gettin' paid  
and I'm sick of this life  
and I gotta get a break

I've been real high  
and I've been down low  
and I live in a shack  
on a country dirt road

Well I'm workin' real hard and not gettin' paid  
and I'm sick of this life and I gotta get a break  
and I just can't get by anymore

I've been real high and I've been down low  
and I live in a shack on a country dirt road  
and my best friend is my backup forty-four

Well workin' real hard ain't hard to do  
when you got you a lotta money comin' to you  
but I ain't got a dime so I'll just sit here  
even though I'm broke I've got a six-pack of beer

Well I've paid my dues  
and I've paid my rent  
and they still try to take everything they can

Well I thought I had a good thing going on  
but the sheriff broke my door and he took me on  
and he said "hey boy, you owe the government"

Well workin' real hard ain't hard to do  
when you got you a lotta money comin' to you  
but I ain't got a dime so I'll just sit here  
even though I'm broke I've got a six-pack of beer

Well I'm workin' real hard and not gettin' paid  
and I'm sick of this life and I gotta get a break  
and I just can't get by anymore
