

# Hank Williams Sr., Hellbilly

Well hey there mister man,  
what's that you say  
Well you don't like our style  
and you say that we're out of date

With a little bit of hellbilly country music  
a little bit of hellbilly country music  
a little bit of hellbilly coming your way

I'm a little hellbilly  
I'm a little hellbilly

Well I's raised on a farm  
and I drive my truck  
and I milk them cows  
and I don't give a f\*\*k

Drink my wine  
nine to five  
catch catfish  
and I like to fight

I'm a little hellbilly  
I'm a little hellbilly

Well I'm doing my time  
and I drive my truck  
and I don't give a f\*\*k  
when I'm stuck in the mud

Drink my beers  
raise my steers  
I like country music  
and I love Webb Pierce

I'm a little hellbilly  
I'm a little hellbilly
