

Hank Williams Sr., Tennessee Driver

Well I was driving by myself through Tennessee
and I broke down on the side of the road, look at me

Well I got a mohawk, and that's really sad
that I don't think that they'll think I'm a good man

So I went to a bar, so I could use the phone
The guy just looked at me and said "Hell no!"

F**k you, motherf**ker!
