

Hank Williams, The Waltz Of The Wind

[C] You were there in my arms [F] alone in the [C] moonlight
The trees played the waltz of the [G] wind
It was [C] there I knew I'd [F] love you [C] forever
As we danced to the [G] waltz of the [C] wind

The [F] stars up [C] above you look [G] down in your [C] eyes
And [F] there in the [C] moonlight I [G] knew
So [C] I'll say goodbye [F] dear till [C] tomorrow
Till we dance to the [G] waltz of the [C] wind

[Repeat entire]
