

Hankey Mr., I Like Big Cocks

I like big cocks and i can not lie
You other chicks cant deny
When a guy walks in with his top right off
and his big cock in your face
You start to cum
When the cock comes up
You notice the balls were stuffed
In with my tongue i'm licking
Im hooked and my g is sticking
OOooo baby u wana get in me
Like the scenes in the movie
My hormones begin to warn me
That big cock makes me ooo so horny
Ooo now its ur turn
Now make my insides churn
Pork me Pork me
Lick me out and spoon me
