

Hanna Lasota, Perfect Strangers

You're looking at me like you wanted to say
When I saw you yesterday
I'm not wasting your time
I'm not playing no games,
I see you!
Who knows the secrets tomorrow will hold?
We don't really need to know
Coz you're here with me
I don't want you to go
You're here with me now
I don't want you to go

Maybe we're perfect strangers
Maybe it's not forever
Maybe intellect will change us
Maybe we'll stay together
Maybe we'll walk away
Maybe we'll realize
We're only human!
Maybe we don't need no reason

Maybe we don't need no reason why
Come on, come on, come over

No one but you got me feeling this way
There's so much we can't explain
Maybe we're helping each other escape
I'm with you
