

Hannah Fury, And Your Little Dog Too

Surrender, Dorothy
Bring me the shoes, dear
Bring them to me
Bring them here, dear
Bring them
If you know what's good for you
If you know what's good
If you know what's good for you
And your little dog, too
You'll bring them here
The shoes, dear
The shoes
Bring them to me
If you know what's good for you, dear
If you know what's just good
If you know what's good for you
And your little dog, too
You'll bring them here
Bring them here
Bring them here
Bring them to me
