

# Hannah Jones, In The Name Of Love

How many times have you been in love  
Can you take love one more time  
How many times have you been hurt before  
Can you stand love one more time

In the name of love  
In the name of love  
In the name of love  
In the name of love

How many times have your feelings been ignored  
And you say to yourself this is it  
Here it comes again, you've gotta love again  
Just when you thought you had yourself together

In the name of love  
In the name of love  
In the name, in the name, in the name, in the name of love  
In the name of love  
In the name of love (I can't take it no more)  
In the name of the game of love, in the name of love

So maybe it's better it's finally over  
And you'll have the chance to live your life one more time (again)
