

# Hannah Montana, Fly on the Wall

You don't understand what it is  
That makes me tick  
But you wish you did  
You always second guess, wonderin'  
I say yes but you just lose out every time

If you only knew what I talked about  
When I'm with my friends just hangin' out  
Then you'd have the inside scoop  
On what to say, what to do  
That way when you play the game  
Baby you can never lose

Don't you wish that you could be a fly on the wall  
A creepy little sneaky little fly on the wall  
All my precious secrets, yeah  
You'd know them all  
Don't you wish that you could be a fly on the wall

You'd love to know, the things I do  
When I'm with my friends, and not with you  
You always second guess, wonderin'  
There's other guys I'm flirting with  
You should know by now

If you were my boyfriend, I'd be true to you  
If I make a promise, I'm comin' through  
Don't you wish that you could  
See me every second of the day  
That way you would have no doubt  
But baby, I would never stray

Don't you wish that you could be a fly on the wall  
A creepy little sneaky little fly on the wall  
All my precious secrets, yeah  
You'd know them all  
Don't you wish that you could be a fly on the wall

A little communication  
That'll go a long way  
You're getting misinformation  
Too much hear-say, hear-say

And what I say is  
Come a little closer  
And what I'm gonna say is

Don't cha  
Don't cha  
Don't cha  
Don't you wish you were a...  
Hey!

Don't you wish that you could be a fly on the wall  
A creepy little sneaky little fly on the wall  
All my precious secrets, yeah  
You'd know them all  
Don't you wish that you could be a fly on the wall
