Hannah Montana, Full Circle

I've been in a rut Back and forth enough Heart like the wheel Without you around So uncomfortable is how it feels

Every time you're near Trouble disappears Under the ground But when you go too far Silver clouds will start hanging around

And I know why Try to run But I keep on Coming back Full circle And I can't jump the track Can't let you go

Tried to once So I keep on Coming back Full circle Cause I know you'll come around You'll come around

Skippin' down a broken path How long can I last Please let me know Where's the finish line Cause I've got to find somewhere to go

I don't want to hear These people interfere What do they know What I feel inside When I'm up all night Needing you oh

I don't know why Tried to run But I keep on Coming back Full circle And I can't jump the track Can't let you go

Tried to once So I keep on Coming back Full circle Cause I know you'll come around You'll come around

Cause I know you'll come around You'll come around

I'll keep on runnin' Til we meet in the middle I'll push it right aside And I give just a little There's miles to go But wait Don't hold back We'll make it

And I know why Tried to run But I keep on Coming back Full circle And I can't jump the track Can't let you go

Tried to once So I keep on Coming back Full circle Cause I know you'll come around You'll come around

I know you'll come around You'll come around

Yeah I know you'll come around You'll come around
