

# Hannah Montana, Good And Broken

Are you overloaded  
Can't decode it  
Your life's imploded now  
There's a risk worth taking  
A pain worth aching  
On this hollow ground (we can)  
Let go  
Don't hold on to all of life's hardest parts  
When we think of stoppin  
Let's keep on rockin'  
To the rhythm of our hearts

We can, We can  
Break outta here  
Jump on over there  
Where the air is clearer  
We can, We can  
Forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and Broken

Find the magic  
Go and grab it  
Your fate is in your hands  
Come on, find a reason to believe in  
Just tell yourself  
We can

We can, We can  
Break outta here  
Jump on over there  
Where the air is clearer  
We can, We can  
Forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and Broken

Get off your seat  
On your feet  
Raise your hands  
Feel the beat  
Let it go  
Lose control  
Feel it in your soul  
Don't you know what you can do  
If you have faith in you  
Let's not be invisible  
Theres no red light in life  
Just go

We can, We can  
Break outta here  
Jump on over there  
Where the air is clearer  
We can, We can  
Forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and Broken, yeah

Oh we can  
Oh we can  
Oh we can  
Oh we can  
Oh we can

Oh we can  
Oh we can  
Oh we can  
Oh we can  
Oh we can

Oh we can  
Oh we can  
Oh we can  
Oh we can  
Oh we can

Good and Broken
