

# Hannah Montana, I Learned from You (Solo)

Sometimes I couldn't hear what  
You tried to tell me  
I thought that I knew all I need to know

I didn't understand that  
The doors you would open  
Could take me to somewhere  
I wanted to go

I can be strong for you now  
You taught me how

I learned from you that  
I do not crumble  
I learned that strength is  
Something you choose  
All of the reasons  
To keep on believing  
There's no question  
That's a lesson  
I learned from you

You know where to find all of my hiding places  
And there are no secrets from you I can keep  
You let me know how you feel  
Pulling no punches  
And I never knew that kind of honesty

I'm grateful for all of the times  
You opened my eyes

I learned from you that  
I do not crumble  
I learned that strength is  
Something you choose  
All of the reasons  
To keep on believing  
There's no question  
That's a lesson  
I learned from you

You help me to stand on my own  
And I thank you for that  
It saved me, it made me  
And now that I'm looking back  
I can say

I learned from you that  
I do not crumble  
I learned that strength is  
Something you choose  
All of the reasons  
To keep on believing  
There's no question  
That's a lesson  
I learned from you

I learned from you that  
I do not crumble  
I learned that strength is  
Something you choose  
All of the reasons  
To keep on believing  
There's no question

That's a lesson  
I learned from you
