

Hannah Montana, If We Were A Movie

Uh oh
There you go again
Talkin' cinetmatic
Yeah you!
Your charming
You got everybody starstruck
I know, how you always seem to go
For the obivous, instead of me
But get a ticket and you'll see

If we were a movie
You'd be the right guy
And I'd be the best friend
That you'd fall in love with
In the end
We'd be laughin'
Watchin' the sunset
Fade to black
Show the names
Play the happy song (yeah)

yeah,yeah
When you call me
I can hear it in you voice
Oh sure,wanna see me and tell me all about her
La,La
I'll be actin' through my tears
Guess you'll never know
That I should win an Oscar for this scene I'm in

If we were a movie
You'd be the right guy
And I'd be the best friend
That you'd fall in love with

In the end
We'd be laughin'
Watchin' the sunset
Fade to black
show the names
Play the happy song

Wish I could tell you there's a twist
Some kind of hero in disguise
And were together,it's for real,now playin'
Wish I could tell you there's a kiss
Like somethin' more than in my mind
I see it
Could be amazing(could be amazing)

(If we were a movie)If we were a movie
You'd be the right guy (Right guy)
And I'd be the best friend
That you'd fall in love with
In the end
