

# Hanne Boel, Falling In Love

I've been ringing your number.  
And I'm calling to say.  
I got this crazy feeling.  
That just won't go away.

Baby since I met you.  
I've known from the start.  
So let me talk to you baby.  
Tell you what's in my heart

I've been turning and tried so all night long.  
So tell me baby, I'm I right or wrong.  
I need your help, or I never see me through.  
'Cause I'm falling in love, falling in love with you.

I'm falling in love.  
Falling in love.  
I'm falling in love.  
Falling in love with you.

I'll be good to you baby.  
For as long as I live.  
I wanna love you forever.  
If you want what I can give.

So dance with me.  
And hold me tight.  
And say you love me.  
Let everything go right.

I've never felt this way before.  
I keep loving you loving you.  
Loving you more and more.  
Now the time has come, to finally say I do.

'Cause I'm falling in love.  
Falling in love with you

Yes I am falling in love.  
Falling in love.  
I'm falling in love.  
Falling in love with you.

I've never felt this way before.  
I keep loving you loving you.  
Loving you more and more.  
Now the time has come, to finally say I do.

'Cause I'm falling in love.  
Falling in love with you

Yes I am falling in love.  
Falling in love.  
I'm falling in love.  
Falling in love with you.
