

Hanover Saints, Letter Day

This doesn't have to be an ugly situation (no whoa)
You can wipe the hatred from your face
I not here to bring condemnation (no whoa)
Cuz I not your enemy

Wee come this far, we aint goin back
Wee broken many barriers, survived the attacks
Wee here to stay
You can knock us down, we get back up
Your insults don't discourage us
Wee here to stay

This isn't about religious persuasion (no whoa)
This is about a choice we all have to make
We are not about a religious institution (no whoa)
But freedom that from above and it free
