

Hansen Rebecca, The Love He Found In Me

(Denis Linde, Robert Morrison)
He looked into a heart so sad
And saw that no one ever had
Beneath the snow He saw the spring
He finds good in everything

Chorus

Give Him thorns and He'll find the roses
Give Him sand and He'll find the sea
Give Him rain and He'll find the rainbow
Just see the love He found in me
He looks beneath each tear that's cried
And somehow sees the sunny side
And even on the darkest night
He knows where to find the light

Chorus

Give Him thorns and He'll find the roses
Give Him sand and He'll find the sea
Give Him rain and He'll find the rainbow
Just see the love He found in me
When the world starts closin' in
He gives me strength to smile again

Chorus

Give Him thorns and He'll find the roses
Give Him sand and He'll find the sea
Give Him rain and He'll find the rainbow
Just see the love He found in me
