

Hanson, Change In My Life

Standing cold and scared
On top of Blue Hill
There came one moment
When I lost my will
I prayed for mercy
Please, Lord, take me away
Give me sunshine
When I only see gray

The past had a hold on me
It can't be denied
And the changes don't come easily
Don't you know

I've been lonely
I've been cheated
Been misunderstood
I've been washed up
Put down
And told I'm no good
But with you I belong
'Cause you help me be strong
There's a change in my life
Since you came along

Woah, woah...
Woah, woah, yeah

Now, I don't mind working
So hard everyday
And I don't pay no mind
To what people say, no, no
Because after all
The pain I've been through
I'd give up everything
Just to love only you

All my life, I've held my
Head bent in shame
But now I've found you
And with you I remain
Don't you know

I've been lonely
I've been cheated
Been misunderstood
I've been washed up
Put down
And told I'm no good
But with you I belong
'Cause you help me be strong
There's a change in my life
Since you came along

Now, a man gets crazy
When his life is all wrong
And a heart gets weary
Where it doesn't belong
When the road gets rocky, Lord
You've got to keep on
Let the new light come
Shining on through
Don't you know

I've been lonely
I've been cheated
Been misunderstood
I've been washed up
Put down
And told I'm no good
But with you I belong
'Cause you help me be strong
There's a change in my life
Since you came along

Woah, woah...
Woah, woah, yeah
Woah, woah...
Woah, woah, yeah...
