

Hanson, I Need You Lord

When I wake up in the night, and I need somebody
It's you, it's you,
When I wake up in the night, and I need somebody, too;
It's you.

I need you girl.
I need you girl.
I need you through the night and day,
I need you girl.
I need you girl.
I need you through the night,
And then I hear you say

Whoa, whoa.

You don't know how much I love you child,
You don't know how much I care.
You don't know how much I love you child,
I'll always be there for you,
I'll never leave you.
You don't know how much I care.

(Repeat All)
