

# Hanson, Lonely Again

You're supposed to give more than you take  
You had my heart on your plate  
You stopped loving me so fast  
There are stories left untold  
You act like they're all old  
But then you and I  
We belong together again  
And I said

Whoa oh, sha na na  
Whoa oh, sha na na  
Whoa oh  
I think I'm feeling lonely again  
Whoa oh, sha na na  
Whoa oh, sha na na  
Whoa oh  
I think I'm feeling lonely

Oh  
You're supposed to look into my eyes  
Forever and all time  
You stopped loving me that way  
And I never thought that I  
I would ever have to cry out  
That you and I  
We belong together again  
And I said

Whoa oh, sha na na  
Whoa oh, sha na na  
Whoa oh  
I think I'm feeling lonely again  
Whoa oh, sha na na  
Whoa oh, sha na na  
Whoa oh  
I think I'm feeling lonely

Well, I feel you tossing and turning  
Said, I know there's walls we have to climb  
Well, I sit here waiting and yearning  
'Cuz I, I know we can get by  
Oh

You're supposed to look into my eyes  
Forever and all time  
Start loving me again  
And now I know that I  
I will never have to cry out  
That you and I  
We belong together again  
I said

Whoa oh, sha na na  
Whoa oh, sha na na  
Whoa oh  
I think I'm feeling lonely again  
Whoa oh, sha na na  
Whoa oh, sha na na  
Whoa oh  
I think I'm feeling lonely

Whoo oh, sha na na  
I said  
Whoo oh, sha na na

Oh  
And I said  
I think I'm feeling lonely
